CURBSIDE NEWS

GARBAGE GUS SAYS...

Your Environment. Our Commitment.

UNSAFE PLAY AREA

Safety FIRST!

Hey Kids! As the weather gets warmer, you'll be outside on your bikes, roller blades, skate-boards or just hanging out. We want you to be safe, so here are a few things to remember when you see our garbage trucks:

NEVER pass a moving garbage truck on your bike, blades or board.

ALWAYS stay at least 15 feet away from an operating garbage truck.

ALWAYS listen for the beeper—that means the truck is backing up.

ALWAYS make sure the driver sees you when you are walking or riding past the truck. If you can see the driver in the mirrors or through a window, he can see you.

Reminder...

Keeping the GREEN can clean!

ONLY yardwaste should go into your green can...such as tree branches, grass and plant clippings.

no TRASH and no PLASTIC BAGS. Don't bag your yardwaste...green = clean.
