# 2007 Curbee Award Winners

*in conjunction with America's Recycle Day,*  
**a national, nonprofit, all volunteer organization that encourages Americans to buy recycled products,**

the Curbee Award was presented before the City Council acknowledging businesses who are committed to reducing waste and diverting recycled products from the waste stream. **The winners were: the Salinas Californian, AF Evans Northridge Apartments, and Creekbridge Shopping Center.** Each business received a unique, recycled glass award etched with their logo and commitment to the environment. Could your business be the next Curbee Award winner? Call the Recycling Community Affairs Manager at 775-3843 to find out how!

## President's Day

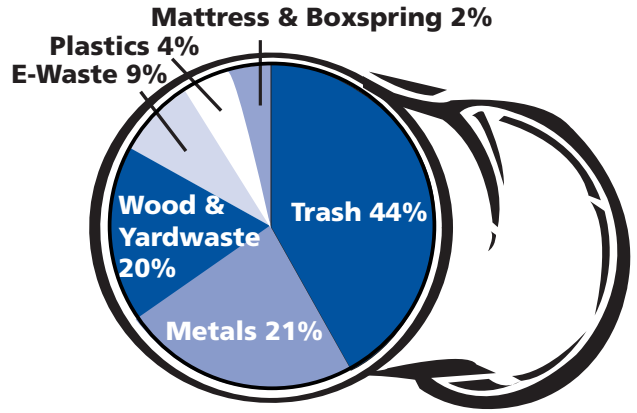

The BFI business office will *Holiday* be closed in observance of President's Day, Monday February 18th, 2008. Your trash and recycling service will remain the same.
